50 Memoriam

In memory of our dear daddy and loving husband, Enid M. Phelps, who passed away Dec. 21, 1981.
We cannot say and we will not say that you are dead.
You are just away.
With a peaceful smile
And a wave of the hand,
you have wandered into that heavenly land.
Although it's been a year since you left us,
we love you dearly still,
and we try to look beyond earth's shadows
and pray to trust our Father's will.
Sadly missed by his wife, children and grandchildren

Birth of child announced

Larry and Vickie Fish of Newport News, proudly announce the birth of a daughter, Mary Lee, born Dec. 4 in Riverside Hospital in Newport News. She weighed seven pounds and four ounces.

Maternal grandparents are Joyce and Emmit Handy of Rt. 1, Appomattox.

Paternal grandparents are Paul and Frances Fish of Newport News.

Teens, use care

Crowded state highways over the Christmas holiday period will demand that Virginia motorists exert extreme caution when traveling, especially teenage drivers, warns the Virginia Department of Transportation Safety (VDTS).

"Teenage drivers are responsible for more crash deaths per license holder than drivers of all other ages. They are responsible for about five times as many deaths as drivers ages 35-64," reminds VDTS Director John T. Hanna.

"It has been our experience during major holiday periods when schools are out that there is a significant increase of teenage drivers on Virginia highways," said Major Charles M. Robinson, Virginia Department of State Police.

The Insurance Institute For Highway Safety found that drivers up to age 25, especially 16 and 17-year-olds, are responsible more often for their own fatal crashes than older drivers.

Per licensed driver, teenage males kill more than four times as many people as teenage females.

"Reasons for the greater number of young males responsible for their own fatal crashes are not fully known, however, they are probably more aggressive drivers than females and more likely to drive after consuming alcohol and /or other drugs," Hanna said.

"More than 80 percent of all highway crashes involve human error," he said. "Most of last year's accidents could have been prevented by improved driver knowledge and skill."

During the Christmas holiday period (VDTS) recommends the following highway safety driving hints for teenagers as well as all Virginia motorists:

Always wear both lap and shoulde belts.

Buckle all children under age four in tested and State Police approved child safety seats.

Avoid alcohol and driving. It takes time to sober up -- usually hours.

Never slow down quickly on the highway. Keep up with the traffic flow and be sure to stay within the 55 mph speed limit.

Allow plenty of space between your car and vehicles in other lanes. Stay at least 10 feet behind the vehicle ahead for every 10 mph you travel.

May the festive spirit fill your homes during this, the merriest of seasons. Have a wonderful holiday!

A SECOND MORTGAGE.
Home improvement without wrecking your budget.
This is the time of year when a lot of us start thinking about adding on a room or two to the old place. Or completely redecorating. Problem is that it costs a lot of money. And while you can afford to pay for it over the long haul, you just don't have that much money at one time.
There's an easy solution: a Central Fidelity Second Mortgage. With the equity you've been building up in your home you can borrow money for home fix-up, or any good reason. And you can take as much as ten years to repay.
Talk to a Central Fidelity Loan Officer about your money needs. And improve your home without wrecking your budget.
